

FORUM on DOCUMENTATION REQUIREMENTS

Sponsored by
Blue Cross and Blue Shield of Kansas

October 22, 2011
9 a.m. to 1 p.m.

PURPOSE OF FORUM

To provide you with useful and applicable information regarding the nature, expectations, recommendations, and results of quality documentation, and to assist in obtaining appropriate compensation for services provided.

LOCATION

Fort Hays State University, Memorial Union, Black and Gold Room,
600 Park St., Hays, Kansas

OBJECTIVES of FORUM – at completion of this forum the learner will be able to:

- Identify the standards of documentation as defined by Kansas statutes – rules & regulations, professional standards and the insurance industry
- Define “medically necessary”
- Understand RED FLAGS that may result in denial of service
- Describe the components of quality documentation, and identify and retrieve pertinent information from documentation
- Identify and update appropriate CPT coding and application for physical and occupational therapy services provided
- Update providers on current BCBSKS payment policies
